### Job Information/Company Background

Clowning Around Entertainment/Celebration Authority is an entertainment and special events company in Mundelein. We provide activity rental equipment, school fun fair games, novelty photos, fun foods, inflatables, small kiddie rides, clowns, magicians and much more.

Among our local clients through the years are Medline, Abbvie, Libertyville Sport Complex, CDW, Baxter, Takeda, MacLean-Fogg, Mundelein Police/Fire Departments, Libertyville High School, Vernon Hills High School, VW Credit and many more. From corporate picnics and holiday events to family celebrations, festivals to proms and school parties to park district events, our staff brings smiles and fun for everyone.

Our website can be seen at [www.celebrationauthority.com](http://www.celebrationauthority.com)

Clowning Around Entertainment, Incorporated has been in business since 1991. The company began with one multi-talented entertainer while still a teenager. During college at Northeastern Illinois University, his high energy and desire to succeed provided the impetus for our company's growth. His success now enables us to employ and teach other young people through example, how to set goals, work hard and dedicate themselves to achievement.

At this time, we are seeking additional part time staff for weekends and holidays. The jobs involve working with a team to deliver, set up and supervise use of our equipment. We train everyone. It requires the ability to lift 40 to 50 pounds. Once their delivery and set up is complete, the team members will manage various activities. These may include preparing cotton candy, supervising guests using an obstacle course, overseeing a photo booth with photo props, or helping guests play a carnival game. Our employees learn not only the mechanical aspects but how to work with the clients as a representative of our company at an event. These are skills that will be useful throughout their lives.

During the summer, school breaks and holidays, additional hours are available on weekdays, too.

Employees' starting pay is \$10 hourly. Paychecks are provided every two weeks.  
Valid ID and social security cards are required at the time of interviewing.

Most students begin working with us while in high school and continue through college whenever they are able. We become a place they can count on for employment during their school years and many stay with us on weekends while beginning careers.

We have a fleet of vans and trucks driven by those employees with the appropriate driving skills from our Mundelein offices to each event site to bring the equipment and other employees, then take them back after the event has ended and packed up.

Our vehicles and activity equipment are inspected by the State of Illinois and we are properly insured.
